AN AUTHENTIC TASTE OF HAWAII

We built the Kuleana Rum Shack as a place for you to enjoy our hand-crafted Kuleana rums with authentic and inspired Hawai'i family-style cuisine. Our bar program features some of the finest cocktails anywhere, designed to show off the exceptional quality and diversity of our rums. To complement our signature cocktails, Kohala-native Chef Rysen Bello and his team have created an authentic menu that takes inspiration from generations of Hawaii's best recipes.

On this beautiful Island of Hawai'i, we respect and honor the land still forming under our feet. We cultivate, harvest, and fish sustainably. We source our ingredients, as much as we can, from local producers in an attempt to look after our community. As we celebrate new beginnings, birthdays, and other special occasions together on our lanais, in our garages, and in the "rum shack", we invite you to eat, drink, have fun and go home with a bottle of rum and happy memories of your new Kuleana 'ohana.

Aloha pumehana!
